ISTRUZIONI DI LAVAGGIO

Lavaggio in acqua a 40° C o a secco
Non candeggiare
Stirare a bassa temperatura

SIMBOLI INTERNAZIONALI

BAGNI DI TINTURA

Kg. 2 - 10 con supplemento
Kg. 25 - 99 con supplemento
Kg. 100 - 450

ATTENZIONE

Tra un bagno e l'altro sono possibili differenze di tono. Onde evitare effetti di disegnatatura, è consigliabile alternare rocche intere con mezze rocche.

In caso di difettosità si dovrà immediatamente sospendere la lavorazione, e provvederemo a sostituire il filato non idoneo. Non saremo disponibili a rifondere danni sui manufatti.
